Independent School District No. 768
371 Hancock Avenue
PO Box 367
Hancock, MN 56244-0367

Dear Parent/Guardian:

Your children may qualify for free or reduced-price school meals. To apply, complete the enclosed Application for Educational Benefits following the instructions. **A new application must be submitted each year.** At public schools, your application also helps the school qualify for education funds and discounts.

State funds help to pay for reduced-price school meals, so all students who are approved for either free or reduced-price school meals will receive school meals at no charge.

Students attending schools that participate in the Community Eligibility Provision, Provision 2 or Provision 3 will receive school meals at no charge without an application. However, at public schools, a completed application is still needed to help the school qualify for education funds and discounts.

Return your completed Application for Educational Benefits to: Hancock Public School

Who can get free school meals? Children in households participating in the Supplemental Nutrition Assistance Program (SNAP), Minnesota Family Investment Program (MFIP) or Food Distribution Program on Indian Reservations (FDPIR), and foster, homeless, migrant and runaway children can get free school meals without reporting household income. Also, children can get free school meals if their household income is within the maximum income shown for their household size.

I get WIC. Can my children get free school meals? Children in households participating in WIC may be eligible for free school meals. Please fill out an application.

May I apply if someone in my household is not a U.S. citizen? Yes. You or your children do not have to be U.S. citizens for your children to qualify for free or reduced-price school meals.

Who should I include as household members? Include yourself and all other people living in the household, related or not (such as grandparents, other relatives, or friends).

What if my income is not always the same? List the amount that you normally get. If you normally get overtime, include it, but not if you get overtime only sometimes.

Will the information I give be checked? Yes, and we may also ask you to send written proof.

How will the information be kept? Information you provide on the form, and your child's approval status for school meal benefits, will be protected as private data. Your child's approval status for school meal benefits may be shared with other nutrition, education or health programs that offer benefits based on approval for school meals – for more information see the back page of the Application for Educational Benefits. Let us know if you do not want your information shared for benefits from other programs.

If you have other questions or need help, call 320-392-5621

Sincerely,

Step 1 Children

List all infants and children in the household, their birthdate and, if applicable, their grade and school. Attach an additional page if needed to list all children. Fill in the circle if a child is in foster care (a welfare agency or court has legal responsibility for the child). Please provide the requested information on ethnicity and race for each child. This information is not required and does not affect approval for school meal benefits. The information helps to make sure we are meeting civil rights requirements and fully serving our community.

Step 2 Case Number Circle Yes or No to show whether any household member currently participates in any of the three assistance programs listed in Step 2. If you answer Yes, write in the case number and go to Step 4 (skip Step 3). If you answer No, continue on to Step 3. WIC and Medical Assistance (M.A.) do not qualify for this purpose.

Step 3 Adults / Incomes / Last 4 Digits of Social Security Number

- List all adults living in the household (everyone not listed in Step 1) whether related or not, such as grandparents, other relatives, or friends. Include any adult who is temporarily away from home, like a student away at college. Attach another page if necessary.
- List gross incomes before deductions, not take-home pay. **Do not list an hourly wage rate.** For adults with no income to report, enter a '0' or leave the section blank. This is your certification (promise) that there is no income to report for these adults.
- For each income, fill in a circle to show how often the income is received: each week, every other week, twice per month, or monthly.
- For farm or self-employment income only, list the net income per year or month after business expenses. A loss from farm or self-employment must be listed as 0 income and does not reduce other income.
- Last four digits of Social Security number – The adult household member signing the application must provide the last four digits of their Social Security number or check the box if they do not have a Social Security number.
- Regular incomes to children – If any children in the household have regular income, such as SSI or part-time jobs, list the total amount of regular incomes received by all children. Do not include occasional earnings like babysitting or lawn mowing.

Step 4 Signature and Contact Information An adult household member must sign the form. If you do not want your information to be shared with Minnesota Health Care Programs, check the “Don’t share” box in Step 4.

Step 5 Signature and Contact Information An adult household member must sign the form.

Is this form required?

This form must be completed to apply for free or reduced-price school meals, unless:

- (1) Your school provides free school meals to all students without applications from households (*Community Eligibility Provision, Provision 2 or Provision 3*) or
- (2) You were notified that your children have been directly certified for school meal benefits based on foster care status or participation in the Supplemental Nutrition Assistance Program (SNAP), Minnesota Family Investment Program (MFIP) or Food Distribution Program on Indian Reservations (FDPIR).

Privacy Act Statement / How Information Is Used

The Richard B. Russell National School Lunch Act requires the information on this application. You do not have to give this information, but if you do not we cannot approve your child for free or reduced-price school meals. You must include the last four digits of the Social Security number of the adult household member who signs the application. The last four digits of the Social Security number are not required when you apply on behalf of a foster child, or you provide an MFIP, SNAP or FDPIR assistance number, or you indicate that the adult household member signing the application does not have a Social Security number.

Only authorized officials will have access to the information that you provide on this form. We will use your information to determine if your child qualifies for free school meals, and for administration and enforcement of the school meal programs. We *may* share your information with other education, health, and nutrition programs to help them evaluate, fund or determine benefits for their programs, with auditors for program reviews, and with law enforcement officials to help them look into violations of program rules. We require written consent from you before sharing information for other purposes.

Please provide the requested information about children’s race and ethnic identity. This information is not required and does not affect approval for program benefits. We use the percentages of participants in each racial/ethnic category to check that our program is operated in a nondiscriminatory manner in compliance with federal civil rights laws

At public school districts, each student’s school meal status also is recorded on a statewide computer system used to report student data to the Minnesota Department of Education (MDE) as required by state law. MDE uses this information to: (1) Administer state and federal programs, (2) Calculate compensatory revenue for public schools, and (3) Judge the quality of the state’s educational program.

Information provided on this form may be shared with Minnesota Health Care Programs, unless the person completing this form has checked the box in Step 4 to not share information for that purpose.
