## Hancock Public School District

**School Digger, a company that ranks the schools in each state, ranked Hancock Elementary 99/847 elementary schools in MN. Hancock High School was ranked 33/494 high schools in MN (Up 15 spots from 2017), and Hancock Public School District was ranked 16/440 school districts in MN (Up 47 spots from 2017). These rankings were last updated on August 7, 2018.**

How does SchoolDigger.com calculate school rankings?

We rank schools based on test scores supplied by each state's Department of Education. We calculate an Average Standard Score by normalizing and averaging each school's test scores across all tests and grades. That average score is then sorted. The school with the highest score is ranked #1, the second highest #2, and so on.
