Thank you for joining us this evening! As the audience, you are an important part of tonight's concert! Your responsibility at formal concerts is to honor the efforts of the performers by providing a listening atmosphere in which all can appreciate the performance. We hope you consider doing the following:

- Make sure all cell phones and electronic devices are silenced or turned off. Cell phones can interfere with microphones and other recording equipment, as well as create excess noise.
- During the performance, please remain seated and quiet. If it is necessary to leave, please do so between selections.
- Please show your appreciation for the performance and performers by clapping after each selection.

We have worked very hard to prepare an excellent evening full of music for all to enjoy. **THANK YOU** for your assistance in helping to make this a wonderful experience for all of us!
