## Hancock School Waiver for Student Private Transportation to Practice

Students must agree with and comply with the following requirements:

1. The student must have the Automobile/Vehicle Registration form on file at school along with a copy of the student’s drivers license.
  2. If other students are allowed to ride with your student, the parent of the driver must have this form on file at the school. The parent of the rider must have the Student Passenger Parent/Guardian Permission form on file at the school.
  3. This Waiver can be revoked at any time by ISD # 768 with or without notice.
  4. One Waiver must be signed for each student athlete/participant in order to waive district provided transportation and to provide private transportation instead.
- *Guardian means legal guardian and not a sibling of legal age*

I have read and understand the regulations for student private transportation listed above. By signing this Waiver, I agree to abide by these regulations and understand that any violation may result in disciplinary action, including suspension or revocation of driving privileges. In compliance with this agreement, I waive any claim for damages against ISD #768 should any injury or illness result or damage caused as a result of me choosing to allow my student to drive. I further release Independent School District #768 from any and all liability for any loss, damage, injury, and/or expense I or my family may suffer as a result.
